

welcome friend.

Hi there,

I'm Janiece—educator and founder of the Happy Teacher Company- a research-backed, standards-aligned, and fully homeschool-friendly **lifestyle brand for teachers**. We're here to support your teaching life, not just your lesson plans.

what's inside

Twelve simple, developmentally aligned literacy pages to help your kinders grow with confidence: CVC decoding, Early sentences, Segmenting, Short vowels, Mixed short vowels, Letter Recognition Blending, Word families, High-frequency words, Consonants, and one No-Cut Center

our learning progression

Every resource follows our four levels:

Launch – gentle exploration

Venture – guided practice

Flourish – growing independence

Achieve – confident mastery

how to use this bundle

Consider this a small “tasting” of the HTCO Vault launching 7/15—calm design, intentional progression, and just-right practice.

Use for small groups, centers, morning work, intervention, or quick checks.

a gentle boundary

For your classroom only—please don't resell or upload elsewhere.

Sharing the freebie link is always welcome.

stay connected

[Join our Facebook community](#) to share ideas, offer feedback, and help shape what comes next.

You're doing important work, and you're doing it well. This bundle simply supports the magic you are already creating.
